AUTOBIOGRAPHY OF BERTHA DUDDE.

At the request of many friends Bertha Dudde wrote the following biography in 1953:

I have been writing messages, received through the inner Word since June 15, 1937. In answer to the many requests of my friends I will give you a picture of my earthly life, a short explanation of what I received spiritually, and my own feelings about all this.

I was born April 1, 1891, the second oldest daughter of an artist of Liegnitz in Schlesien, today's Poland I had a normally peaceful childhood, with six sisters in our parent home. I learned the cares of life at an early age. The desire to make money to help my parents made me learn the trade of a seamstress. As the financial needs of my parents continued, so the burden, and in this way I made myself useful.

My parents belonged to different denominations. Father was a Protestant -Mother a Catholic. We children were brought up in the Catholic faith, but never experienced pressure or force to follow the practices of the church so that each child in later years could pursue their own chosen course.

I myself was religious, but could not accept the doctrine of the Catholic system, although I respected the church. I could not represent something on the outside that my inner conscience had not accepted. So I did not continue to attend church, heard little preaching and had no knowledge of the Bible. I did not read any religious books or scientific literature and did not join any other group or religious sect.

Anyone knowing the Catholic teaching knows what a conscious struggle one finds himself in when he wants to loosen himself from it. I also was not spared from this. But the question as to what is the Truth, and where it is to be found, remained.

Often when I prayed the Lord's prayer I would beseech the Lord to allow me to find HIS kingdom. This prayer was answered in June 15, 1937, as I prayed quietly and waited on the inner voice. In this attitude I persisted often, for a wonderful peace came over me and thoughts which came to my heart, not my head, gave me comfort and strength.

Still I did not know that these thoughts were given to me, until in a strange dream I experienced something, which later proved to be the Truth and caused me to write down these thoughts.

So on a certain day as I listened inwardly a stream of words came to me, which I wrote down. This was the first message I wrote which started like this: **"In the beginning was the Word, 'a TE-DEUM' to the Creator of Heaven and Earth."**

Then came doubt,did you write this by yourself? In short, I have wrestled, prayed and gone through many struggles, but again and again the words came to me like a stream, a wisdom, which made me tremble. Then GOD HIMSELF took away my doubts. HE answered me and I acknowledged HIM as our Father, in HIS Word. My faith grew, doubt diminished, and I received and wrote daily.

The contents of the writings were beyond my understanding. Phrases, which I had never heard of, or read about, strange and scientific expressions and references continually came to me. Then came unheard of expressions of the Heavenly Father's Love giving refuge and providing enlightenment to all the questions of life.

The "Words" came to me in the following manner: After sincere prayer and a short period of composure I listened inwardly. Thoughts then followed coming to my mind, clearly, distinctly, and the words flowed smoothly always three or four, one after another, like writing a radio announcement or a weather report, slowly so that I could easily keep pace, writing line after line.

Now, I write the words in shorthand as a dictation without having any constructive or intellectual part in it. I am in no way in a 'trance', nor do I even form the sentences, but it comes to me one word at a time, neither do I understand the context while I am writing the words down.

After days, sometimes weeks, I transcribe the shorthand writings into longhand without changing or correcting a syllable. Each dictation takes about half an hour. I must stress that this could not happen forcibly or in a state of ecstasy. It all takes place simply and consciously, without any excitement or influence of my own will. I can interrupt myself at any time and finish the sentence after hours or days without reading the previous writing the dictated words continue again.

My will is under no compulsion, all that I desire is to serve GOD and do what HIS Will wants me to do.

I can truthfully say that I was led into this Truth, and these concepts were, in all respect foreign to me. It was only after years that I found confirmation of what I received, when I came to know the writings of Jacob Lorber. No one can imagine my joy when I discovered the literature of Jacob Lorber; "The Great Gospel of John" and the "Youth of CHRIST" Then I understood that other people were given the Word of the Lord, that GOD had spoken to HIS children at all times and that GOD will continue to do this in HIS endless Love and Mercy.

I found in Lorber's writings the same as was given to me. I often could not understand the word that came to me, but in HIS Love the Heavenly Father gave me the explanation. How wonderful are the innumerable manifestations in which the Father displays HIS exceeding great goodness.

It became clear to me that my short education, due to lack of money and my lack of time to read good books or visit performances, became my advantage. I could now concentrate on my work from early morning to late at night, and each day I received that precious spiritual Word without knowing for whom I received it.

It is because of my ignorance of the Bible and the Catholic doctrine that I accepted the Word from Above without resistance. In my experience an earnest Catholic or Protestant whose knowledge is rooted in dogmatic theories is too much bound to their dogma to accept and embrace Divine revelations without resistance.

Still there are scientists at several faculties who earnestly discuss these Divine teachings with increasing interest. Their interest does not only concern the irrefutable explanation of the origin of matter and the possibility of its dissolution, but also the principle of the wrong teachings of different religions, systems and confessions. In the messages I received these errors are recorded and everyone is urged to give instructions concerning these doctrinal errors whenever there is an opportunity.

But everyone is free to take the LORD's Word to heart or not. But whoever understands the spirit in the Father's Word and does not act accordingly makes the distance between himself and the Father even greater. When he does not follow the warning words of Love he puts himself inevitably under the law. He will also in the same measure lack in Grace, disregarding GOD's commandment of Love.

In GOD's Grace people are led anew to the gospel, which emphatically points out the purpose of man's being. For the merciful Love of GOD seeks to save all who still can be saved before the turning point comes. And it will come. The end-time of which seers and prophets have proclaimed is now here. According to the revelations given to me, the LORD does not differentiate between HIS children. "Come ye all to ME" sounds HIS call and blessed is he who hears HIS call and follows HIM. GOD Loves HIS children. HE wants to make them all happy, even when they do not want to know HIM.

God carries out His plan of Salvation...

Concluding a period of Salvation....

You can believe without doubt that one period of Salvation is coming to an end, for as soon as you are spiritually inclined you will also be able to observe people's development, and then you will not find it difficult to believe that a change has to occur if I don't want to let humanity fall prey to Satan, who is visibly at work. For the purely worldly-minded person this is indeed no explanation, because he will not accept a low spiritual level since he is unable to see it. Yet the purpose of earthly existence is not a purely-worldly one, but the meaning and purpose of earthly existence rests in the human being's spiritual development, and once this clearly becomes a secondary issue then earthly life has become futile and need no longer be continued by people who totally deny their purpose of existence. But it does not just concern the **human being's** higher development.... The whole of Creation shelters spiritual substances within itself which likewise go and should go through this process of development, consequently a certain order has to be observed in creation which, however, is being revoked by people and therefore the creations on earth no longer fulfil the purpose which was assigned to them. An unspiritual human race does not live in accordance with My will, and thus it will not use all available works of creation according to My will but assign them for other purposes which therefore endanger the inherent spiritual beings' development or make it impossible.... And such an unspiritual human race is presently populating the earth and endangering its continued existence because it no longer lives on earth in keeping with My will but revokes the divine order and lets its own will break through which opposes My plan of Salvation. Nevertheless, people's will is free....

And thus their behaviour and activity will not be opposed, instead people themselves will lend a hand to the work of the final destruction, they themselves will hasten the end and don't realise that they nevertheless indirectly proceed in line with My plan of Salvation, since due to the work of destruction the process of development of the spiritual substances which are still constrained in the creations will continue, because a new period of Salvation will start and take its course in lawful order again, as it is destined by My love and wisdom. The fact that the majority of people do not believe it only demonstrates the low spiritual level, because every spiritually awakened person can see for himself that the present situation on earth cannot go on if one wants to speak of spiritual development. But the few of My Own will know that not much time is left until the end because they can see the signs very distinctly which I indicated through Word and Scripture.... The human being must see with spiritual eyes, then humanity's state will be apparent to him. If, however, he only pays attention to the world he will just see economic development and progress, and then he will find it difficult to believe that everything will come to an end, that no-one will be able to enjoy the results of his own effort, his possession of worldly goods, he will only ever see the world and its development and spiritual thoughts will move ever further from his mind the more he observes the world and its progress.... But he will be unable to enjoy what the world has to offer for much longer; very soon he will be able to watch the disintegration, first through My will, through the raging of the elements of nature.... and later through human projects.... after all, I built My eternal plan of Salvation on the basis of people's wrong will, which will give all spirits in the entire universe new possibilities for higher development, because I want to help them achieve spiritual progress.

And thus it will come to pass as it is proclaimed.... and regardless with how much incredulity you humans look at My predictions.... you can expect with certainty that you are approaching tremendous upheavals and that one period of Salvation will come to an end and a new one will begin soon.... For the time has expired that was granted to the spirits by My love, wisdom and might.... And it will come to pass as it has been proclaimed again and again to you humans.... Amen

God carries out His plan of Salvation....

You will never be able to prevent Me from implementing My eternal plan of Salvation. I have indeed said that you will be able to avert much from yourselves through heartfelt prayer, but My plan of Salvation is based on humanity's will which I recognised from the start and thus was also able to appoint the appropriate times when the great transformations will take place, and I will indeed adhere to these times. Due to his heartfelt prayer I can certainly avert occurrences from every individual person, I can guide every individual in a way that he will not be affected by the events which I allow to befall people if I want to achieve My purpose: to continue the process of return, which has come to a standstill.... Yet I have always predicted exceptional events to you, and these predictions will indeed fulfil themselves since they must fulfil themselves if the divine order is to be restored again. And I have truly known throughout eternity at what point the divine order will no longer be observed and have therefore always been able to refer to this time and mention the substantial upheavals which will irrevocably occur according to My announcements. But people will never believe these announcements undisputedly, for what is prophesied to them as shortly forthcoming surpasses human notions....

They will certainly be able to recognise the course of world events, that a change will have to happen because people have reached the lowest point, as is clearly evidenced in their self-indulgence and an excessive craving for a good living standard, earthly commodities, honour and power.... Thus they would be able to recognise by the signs of the time that these announcements have a certain justification, which they ought to take seriously and then live their own life accordingly. But their unbelief is already too great for people to listen to such indications. They unreservedly live a purely earthly life and reject all thoughts of drastic change. And this is why humanity will be taken by surprise by a catastrophic natural event on a scale which has never been experienced on earth before, which will end many people's lives and lead to unprecedented chaos of huge proportions and mean immense misery for people. This is a last warning sign and shall therefore be constantly proclaimed to people.... My messengers shall draw people's attention to it so that they will recognise the truth when this event takes place, so that they will make good use of the last days before the soon-following end for the maturity of their souls. Admittedly, they will find little or no belief, and yet I keep instructing My messengers time and again to speak up wherever possible. People don't want to be disturbed in their lives of pleasure but they will get a sudden shock, and the forthcoming event can mean the end for any individual person, and he will be not be able to take his material possessions across with him. And this is what he shall always bear in mind, for even if he is usually not willing to believe he nevertheless knows that he cannot prolong his physical life by even one day because the hour of his death is predetermined, and he knows that one day his end will come and that this can happen at any day, that he will have to leave everything behind which amounts to the purpose of his life. And therefore he should not value earthly goods so highly but procure himself possessions for eternity.... And he would only be acting intelligently, whereas a purely earthly life is no sign of prudence but only attests to confused thinking....

My plan of eternity, however, will be carried out and the day I have set for Myself will be adhered to, because the human generation no longer fulfils its earthly task and will therefore be devoured by the earth with the exception of those who have recognised Me, who believe in Me and remain loyal to Me until the end.... For the earth must continue to serve its purpose as a place of education for the spiritual substances which are on the path of return to Me.... And this is why the great work of transformation cannot be omitted and everything has come to pass as I always predicted, because I don't leave people without warning and offer everyone still enough opportunities to find Me and seek union with Me in faith and love. And truly, these shall still be saved before the end.... I will call them back earlier so that they will not run the risk of descending completely but they can still mature in the beyond.... Or I will remove them from the earth at the end and take them to a place of peace because they are intended to populate the new earth again as the root of the new human generation.... You humans should believe what I announce to you time and again, **for there is not much time left**, and everyone of good will can still be saved, so that he will not meet the dreadful fate of a new banishment.... Amen

*Words of the Bible...Jesus' instructions on Earth in relation to the Divine
Judgement... Many precedent happenings and signs will point that End is near...*

Prediction of a devastating event....

It is very beneficial for all of you to read the words of the Bible, and you will realise that the Lord in His time has announced His coming. The forthcoming divine Judgment is not the Lord's will but solely the will of humanity, which endeavours towards an almost complete separation from faith which will result in descending further into spiritual darkness. Purely to put an end to these goings-on and to save what has not yet been entirely taken in by the night, the Lord will fulfil His Word.... For His spirit foresaw the present as well as the approaching time, and in His kindness and gentleness the Lord has left no stone unturned in order to be able to prevent the divine Judgment. Everyone presently living on earth will be informed of it beforehand and able to avert the judgment from himself, insofar as that he will be protected from every danger by the Father's invisible hand, if only he trustingly turns to Him and thus acknowledges His power and love.... The many events preceding this in order to wake people up will also show you that the time is close at hand.

This time will not pass any person by without a trace, and there will be many signs which are intended to arouse people from their spiritual lethargy and draw their attention to the visible intervention of an eternal Deity. And the adversary will have his hand in everything and influence people everywhere to listen only to the thoughts and words of the world and to reject everything spiritual, for in their dominance and arrogance people are so convinced of their own strength and power that, by necessity, the evidence of their own weakness and inadequacy has to be demonstrated to them through misfortunes which human hands are unable to prevent. At first they will certainly accept such strokes of fate without experiencing any particular effect to their thinking.... Yet the events will happen increasingly more often and even make arrogant people inwardly tremble as they realise their vulnerability. And one such event is being prepared by the Lord....

He will intervene in people's arbitrary activity of injustice and perceptibly express His will to them.... This time will numb all emotional souls, for the scale of the event will be too powerful as to be considered coincidental. And in case of the event repeating itself many people will wake up from their sleep and prefer the dawning day to the darkness of spirit.... and to preach the Word of God will be the rewarding task of God's servants on earth, for nothing in the world happens without consideration.... Nothing is hidden from the Creator's knowledge, and thus the Lord's visible intervention will not be without purpose and meaning for many people, but His intervention will be recognised as the helpful hand of the Heavenly Father which everyone should be willing to grasp. For the time is near of which it is written in Word and Scripture.... Amen

Indications of natural event.... Jesus' reference on earth....

It is not coincidence that increased indications in nature suggest an eruption of the elements, for God sends these signs in advance in order to prepare people for an exceptional natural event which will suddenly and unexpectedly take people by surprise and result in inconceivable misery. People are meant to associate these indications with His Word, for Jesus Christ already mentioned this time when He lived on earth, because He wanted to point out to people the eventual consequences of their way of life. This time is now approaching; people should heed the signs which announce the event.... They should not ignore anything that deviates from the framework of natural law. God announces Himself, that is, His intervention in the existing world order, it is not His will that people should experience anything unprepared which should and can advance them spiritually if the correlation of all happenings is explained to them. For this reason God constantly refers to the forthcoming time and informs people that the time has come which necessitates divine intervention. Then it is left up to every individual person himself what he makes of this warning.... If he believes, he will adjust his life accordingly, he will make contact with God and humbly entrust his destiny to Him.... They will not be in as much danger as those people who lack all faith in an intervention. The latter will not prepare themselves either, instead, all references and admonitions will bypass their ears unheeded. And the natural event will be dreadful for them. For profound faith gives a person the confidence that they are protected by God in every danger; yet an unbeliever will have nothing to hold on to if he does not recognise a Lord above Himself at the last minute and commends himself to His mercy. God sends His messengers long before the event already in order to stimulate humanity's thinking, and these indications can be recognised by everyone who wants to recognise them. They will give rise to thought because they don't just occur once but repeat themselves often and at regular intervals, so that they will have to be noticed by everyone. But every person usually devises his own explanation and this depending on his attitude towards God. As soon as he associates these phenomena with God's will, he pays attention to them and thereby benefits, since he prepares himself for the time ahead, which is of great advantage for his soul. What God has proclaimed in Word and Scripture will irrevocably come to pass, only the point in time is unknown to people.... For this reason they should pay attention to the signs which God had mentioned. And thus they will know that the earth will be facing severe tremors which will cause incredible suffering to the human race.... Then it is up to every person to shape himself such that he can brace himself for the coming time.... He should persevere and appeal for strong faith so as not to weaken in view of the work of destruction which is in store for humanity. And God will take care of every person who pays attention to His Word and consciously expects the divine intervention.... Amen

Cosmic changes...

B.D. 8780

Cosmic changes....

I want to guide you ever deeper into truth so that you will bear up against all challenges by My adversary who leaves no stone unturned in order to prevent your work for Me and My kingdom. And the more knowledge you possess, the more you penetrate the truth which can only be imparted to you by Me, the more firmly will you stand your ground, for you will realise that all objections and contradictory statements are pointless and unfounded, they will only ever be empty words without deeper meaning and significance. But it is My will that the light in you shall become brighter, that in your ever more enlightened state you will learn to recognise all correlations and will therefore not be unsettled by objections anymore. And I also want you to correct errors when you are confronted by them.... I want you to be sincere fighters for Me, I want you to fight with the sword of your tongue where you are opposed by error, for you have been chosen by Me as bearers of light to convey the truth to wherever there is the will to know the truth.... And in particular the end of this earth will often be a controversial subject because hardly anyone wants to believe in it.... and precisely because the process of final destruction will be such a momentous event it does not seem credible to people.... for they have no comparison to such an event, no matter how far back they can think. And yet, it will happen and take everyone by surprise apart from the small group of those whose life of love granted them inner enlightenment and who therefore also consciously expect the end of this earth. But wherever even the slightest worldliness prevails, where people have still not entirely detached themselves from the longing for worldly possessions, there will only be weak belief or none at all at the end of this earth, and they will reject all proclamations of this kind as false prophesies and time and again try to contradict them. And extensive explanations will not suffice either, because they simply lack the will to believe in such prophesies, their love for the world is stronger than their love for their neighbour or they would be spiritually awake and incapable of doubting in the slightest what I Myself proclaim through the working of the spirit to people time and again, so that they will prepare themselves for a near end.

However, you, My bearers of light, shall ever more strongly believe in everything I say to you, you shall experience My love and My constant presence, you shall lovingly and gratefully accept the immense gift of grace I give to you because you are faithful to Me and fight for Me and My name because you love Me and your neighbour. And for that reason I want to give you a proclamation which again will only be accepted by the profoundly devout person but which soon will also be able to convince the doubters, for not much time will pass until the first signs of a great cosmic change become apparent.... which cannot be explained by any scientist or even the sharpest of intellects and which will give rise to serious concerns.... And you will have no possibility of protecting yourselves from the looming disaster; you will only be able to wait and thus become greatly agitated, for the said cosmic phenomena will be the onset of the immense natural disaster, for the universe will revolt against all unspiritual beings within the vicinity of earth and which at present exert an extraordinary influence on the spiritual beings striving towards ascent.... A tremendous battle has erupted between the spirits of light and of darkness, for these spirits know that a turning point is approaching and both sides will use the last days to an extraordinary extent.... And these spiritual battles for people's souls on earth affect the various stars in the universe which in some respects are in spiritual contact with Earth.... And with My approval the inhabitants of these stars also participate in the final battle on this earth, and they express themselves by way of massive eruptions which can be observed from earth and cause acute anxiety in people who are able to monitor the course of the stars and their changes of movements, which in all probability will not bypass Earth without a trace.... Humanity can only be woken up by science now, for they do not listen to spiritual notions but cannot deny scientific observations and by thinking about it they can still find the right path with good will. For the greatest prophets may arise on earth and yet people will not believe them.... And neither can I speak to people in a compelling way in order to make them aware of being in danger due to the approaching end.... But I can let unusual things happen in My creation by apparently revoking the order and yet this, too, is part of My law insofar as that it is included in My plan of eternity for the sake of a specific purpose. And again there will be people who won't even allow themselves to be impressed by this, who will continue to live their sinful life and head towards the abyss without letting anything get into their way.... But there will also be a few who will start to wonder and then listen to the explanations given to them by My messengers of light.... And the faith of those who want to remain loyal to Me will be strengthened again, for they recognise the truth of My Word and therefore firmly hold on to My promise that I will remember all of them and fetch those home on the day of Judgment who believe in My Words and remain faithful to Me until the end.... Amen

Cosmic changes....

Where cosmic changes become known, which indicate a forthcoming natural disaster, you can also be sure to detect My working in people through prior signs, all kinds of admonitions and warnings, through clairvoyant visions by especially devout people, and through increased influences by the beings of light on those whose will is devoted to Me and whose appropriate way of life enables their contact. Where natural events occur more frequently people are also more open to My warnings, and there is usually also the motive for frequent changes in the creations of nature as a result of such natural events, because the constrained spiritual substances strive towards higher development and will reach maturity faster where people are more compliant. Yet in accordance with My eternal plan of Salvation My direct influence through the natural elements will now also affect creations of nature where this is otherwise rare.... The spiritual forces, which have already been constrained for an infinitely long time, are pushing for liberation and will meet My approval.... There, too, it will be announced what is to take place in nature. People will be made aware of it although they are not interested in My admonitions and warnings, in My advice. Cosmic changes will also become apparent and could make everyone think; seers and prophets will arise whose gift of prophecy makes them feel duty bound to mention what they see or hear through spiritual contact. But in view of free will and belief everything will take its natural course, and even cosmic changes will be scientifically explained and therefore won't worry people.

However, although every happening, every process in nature, can certainly be explained in natural terms it will always have a spiritual reason and explanation, and it is more important to take notice of this than of the purely natural one, because you cannot stop or lessen the natural consequences with your knowledge, but you can utilise spiritual consequence for your benefit and thus calmly face the natural consequences.... You will be in control of them when you believe, when you have derived the spiritual benefit from your knowledge.... Then you will also be in control of nature.... Do you know what that means? To be able to stop even the elements of nature willfully, which is also My will if you are sincerely united with Me? And the liberated spiritual substances will also acknowledge you as master.... you will also be the ruler over matter and it will willingly subordinate itself to you. You cannot appreciate its profound meaning as yet but when you have reached this degree it will also become clear to you what you can achieve with My strength, which will then be at your unrestricted disposal. Yet only few people will reach this degree of maturity due to their profoundly steadfast faith in Me and My love, and their unlimited surrender to Me.... But My power and glory will reveal itself to them and they will proclaim Me throughout the world.... Moved by My spirit they will always and forever speak on My behalf because they will soon no longer be part of this world and close to their perfection.... Amen

Cosmic changes....

This is an **unusual** event which I announce to you.... you will think that you are mistaken yet time and again experience the same.... earthly tremors which are not caused by eruptions but always occur when the earth stands in a certain constellation to the stars.... so that the tremors can be anticipated on a regular basis and will not fail to happen.

They will be barely perceptible and hence disturb few people, yet investigations by scientists will give rise to apprehensions of the worst kind. Furthermore, as the phenomena intensify they will also unsettle indifferent people once they realise the threat to earth from other heavenly bodies because, having left their path, the latter are moving towards earth and, time and again, form a constellation which triggers these very effects.

In view of the approaching end people shall still be aroused from their calm, they shall remember their Creator and think about their own transience and the fact that they have no guarantee of passing into complete oblivion after their physical death; they have to be reminded of the end of their lives and also of the fate which will await them if they believe in the continuation of their soul's life. The last days will exhibit so much that is contrary to nature, given that people's activities and thoughts are already unnatural and result in consequences of the worst kind.... People undertake explorations of the universe presumptuously and beyond their authority.... They disregard natural laws and, yet, their actions and intentions will not be prevented; the repercussions, however, will rebound on them. Nevertheless, the end is moving ever closer, and if people are yet to be helped by taking stock of themselves and becoming aware of their great responsibility then an unusual activity on God's part will also have to be shown to them, even though it is still up to their own free will to take notice of it and adjust accordingly.

And such unusual activity will be experienced by humanity in the forthcoming time. It will not be caused by people but take place in the cosmos, in a region which is entirely subject to the Creator Himself, which is now seemingly sliding into lawlessness, and yet even this event is integral to the plan of returning the spirits, since it is capable of leading to a change in many people because it is too extraordinary.... but without compelling them to believe, for the unbelieving person will not even take the trouble to find an explanation since he lives utterly irresponsibly.

And people's spiritual state in the last days has already sunk so low that even extraordinary natural events would not make them believe, consequently even these methods can still be used for the benefit of undecided people who need strong motives to seriously reflect on it and aim their will into the right direction. For whatever can still be done in order to keep the souls from the fate of a new banishment will be done by God, Who loves humanity and does not want them to go astray.... But every time He manifests Himself in the manner it was announced there will be fatalities, otherwise people would not allow themselves to be impressed and mutually accuse each other of self-deception.... For the effects will vary from place to place, and it will take scientists a certain length of time before they succeed in finding the right explanation, but then the signs will repeat themselves with ever increasing frequency and provide people with the evidence that something is happening in the cosmos which they cannot counteract themselves.

And thus they will also be subject to the periodically recurring consequences until, finally, the huge natural event will take place which will demonstrate God's might and greatness to people who believe in Him and who will also be protected in every adversity. Yet, although people are repeatedly informed of an approaching end, although the preceding natural disasters are repeatedly pointed out to them.... they won't believe nor change their way of life in the slightest, they will do nothing to prepare themselves, they live in the world and love it, and look at the world as their God And therefore they will remain attached to matter when the end has come.... Yet everything has been determined in the divine plan of Salvation and nothing will come to pass that has not already been taken into account since eternity....

And thus even this unnatural event will take place according to divine will, and the day for this has also been predetermined and will be upheld.... Nevertheless, you shall be informed in advance so that your faith may be strengthened, because everything will come to pass as was said before and because you will recognise the truth of what is conveyed to you from above ever more.... For you ought to establish a connection between God and the world, with your fellow human beings who live without faith or thought.... Admittedly, you will only be able to speak about it after the initial occurrences have taken place since prior to that no-one will want to listen to you you will only find open ears and hearts after a tremor has happened which will make people wonder and only then should you speak, and then it will depend on people's willingness as to what benefits they will draw from these events.... Amen

Approach of the star...

B.D. 7423

Only God is Lord of Creation.... Star....

Since eternity celestial bodies have circled the universe on paths specified by the divine Creator and which will also be upheld in the plan of creation according to His will. And it is an impossible beginning wanting to alter the specified course of a celestial body, to divert a star from its course trying to guide it onto a different one than was destined by the divine Creator. And it is equally impossible to stop the course of a star, to limit the duration of its course, thus to prevent it in some form or other from travelling its path.... This has to be said to all those who believe that they, with their own inventions, will be able to establish a different order in God's work of creation.... who believe that they will be able to fit human products into the divine work of creation, who assume that such experiments can be sent into the universe without harmful consequences....

I Am still the Lord of the cosmos.... and I will also reply appropriately to every intention of infiltrating My work. Another attempt will be made, and more will follow as long as people are not stopped.... And I will allow it to happen, but I will answer when the time is right. For not much damage can be done anymore by people's advance into space.... because time has run out which humanity may still reckon with. And all the experiences they still want to gain will no longer be of any use for I will put a stop to it Myself....

But I will respond in the same way, for this reply will also come from space which they try to enter, and all their inventions will be unable to repel or redirect the star which will put them into extreme danger themselves. And thus it is up to Me as to how long I will tolerate humanity's activity, but I will only tolerate it up to a point, I cannot profess to approve of experiments which have no spiritual purpose and only boost people's belief even more to be or to become master of the universe.

But the end is nigh, and during these last days people will still try many things which only demonstrate their godlessness, their spiritual arrogance and their spiritual poverty. Various experiments will still be conducted which will contribute considerably towards the disintegration of the earth, the final work of destruction and thus the end of one period of salvation which has to make way for a new one, if My living creations are not to be completely lost.

But you humans, who voluntarily belong to Me, don't allow yourselves to be impressed by it all no matter what happens.... Always remember that the Creator of heaven and earth will not let Himself be displaced and that He will clearly show His might without people being able to prevent Him from doing so.... I watch and wait.... until the day has come which has been predetermined since eternity.... For the time is limited in which My adversary uses people such because they belong to him.... that they will do everything he wants.... but which they will nevertheless not succeed in achieving.... Amen

Natural phenomena.... Temperature.... Star.... Predictions....

Time flies and people don't change their mind; untold souls will perish, unless the Lord still offers them His love in the last hour, when He will bring the horrific destruction of all worldly things home to them.... And therefore pay heed to days which will significantly differ from the usual time of the year. The lower the sun stands the brighter will be its shine and extraordinary heat will astonish people.... This will give rise to all kinds of assumptions.... People will look forward to the approaching time partly with cheerful confidence and partly with anxious reservations, and the human being will be inclined to acknowledge supernatural activity.

Yet only few consider their relationship to God.... They don't realise that God Himself wants to direct their thoughts to Him, they don't even try to look for a connection between Him and the extraordinary natural phenomena.... Indeed, they very quickly get used to it and don't derive the slightest benefit for their soul. For if only they would pay attention they would understand the call from above. But if they do not consider their relationship with the Creator, they remain earthly minded and don't accept any spiritual gift. And all these extraordinary natural phenomena are expressions of spiritual activity by powers which are subject to God and willing to serve Him. More spiritual currents will emerge and make themselves known to people in various ways, and yet people will not spend much thought on them, for the power of darkness has tremendous influence and fights against all spiritual recognition.... it tries to weaken the Divine, consequently humanity will only ever pay attention to earthly events and remain indifferent to God's activity in nature, even though people clearly will be beneficially affected by them. Just a small number see God's hand reaching out to people and try to enlighten their fellow human beings, but they only acknowledge physically perceptible benefits and not an instruction from above that intends to cause a change of human thought. And in this time of well-being, caused by the sun's extraordinary effect at an unusual time, an event will take place which should even make spiritually blind people think

A star will separate itself from the firmament and change its path.... This star's radiance will far exceed all others, it will shine brightly at night and approach earth so that this appearance, too, is unusual for people and yet at the same time demonstrates that the Creator of heaven and earth is in full control and thus also dictates the movement of stars according to His will. Once this star becomes visible, humanity will be getting ever closer to the spiritual turning point.... It is offered so much spiritual assistance that it really only needs willpower to accept this help, yet it grows ever more obstinate, its thinking becomes ever more deluded.... And the time is not far away of which the Lord said on earth that the world will be turned upside down if the human being closes his heart to all spiritual issues.

The light will also shine where it is avoided, for the light's radiance will be so bright that it penetrates everything, and even the spiritually deluded person won't be able to avoid seeing, but he wants to reject it anyway, and thus in the end he will be consumed by the light.... For everything bright, light and clear banishes darkness.... And the light will defeat the darkness in so far as darkness has to retreat once the light of truth breaks through. And lies and illusions will crumble but truth will last for all eternity.... Amen

B.D. 6313

Cosmic phenomena....

Very soon you will know for certain that something is taking shape in the cosmos, for unusual events will worry you humans because you will be unable to find an explanation for them. Many speculations will surface, many opinions will meet with conflicting notions, yet only those people's points of view come close to the truth who suspect a connection between that which was proclaimed in Word and Scripture, which people were told by seers and prophets at all time.... Anyone with spiritual vision can find an explanation for all events, for everything has a **spiritual** meaning and is intended to fulfil a **spiritual purpose**: to draw people's attention to their actual purpose of life so that they prepare themselves for the imminent Judgment.... And science, too, will support this, for it will discover the unusual changes in nature first, the cosmic happenings, which will confound them, and the significant appearances which they will not be able to explain due to lack of knowledge. They will observe and marvel but they will not accept the only true answer **that the earth will be shaken to its foundations**, which could indeed be caused by these phenomena. They won't want to believe it and will therefore always argue against it if the Scriptures, the ancient prophecies, are pointed out to them, if they hear the opinion of the believers or if the messengers of My Word proclaim to them the approaching end.... And therefore it will be difficult to make the intervention on My part plausible to worldly people, because an attempt will be made to explain everything in a purely scientific way. And only a few will become aware of these unusual phenomena and therefore ever more assuredly draw people's attention to the end.

And I will so evidently support their words of admonition and warning that even the scientists will apprehensively admit their lack of knowledge.... And they will discover a star which will come constantly closer to the vicinity of earth and which will apparently take an irregular course.... By observing its path their attention is drawn to ever new peculiarities.... And they will recognise it as a danger to earth.... and at the same time they won't want to believe in its destruction because it will never before have been experienced.... But I will allow it to happen, because My eternal plan of Salvation necessitates something extraordinary which still intends to benefit humanity.... and because it shall be an warning sign of the work of destruction which will follow soon afterwards and which will bring this period of Salvation to conclusion.... The more the end approaches, the greater will be the irregularities which people will experience, because they are meant to take notice and begin to wonder about the correspondence with that which is quoted by the believers as the Word of God, as predictions by seers and prophets, and endorsed as truth.... And now My spirit also proclaims through My servants on earth the near end again and My loudly resounding voice of thunder before this event.... and these very phenomena will bear witness of the truth of My Word.... Pay attention you humans, and just look at everything as indications of the end, which I give to all of you so that you do not fall prey to ruin, for everything that happens is so important that it would be able to convince you if you were of good will.... **The time is fulfilled and the end is near....** Amen

Approach of a star....

Open your hearts wide, be ready to receive My light of love from above and listen to Me: A sure sign of the approaching end is the visible appearance of a star which will move into the direction of your earth and yet takes a peculiar course.... it will often withdraw from your sight and then suddenly appear again, because it will be accompanied by impenetrable nebulae which every now and then will disperse only to condense anew....

You humans will experience something previously unknown to you as the effect of this star upon your earth is such that you will become alarmed because you fear that the earth could fall victim to this unknown star which will cause perceptible disturbances on earth which are, however, inexplicable to you. Some people on earth won't allow themselves to be shocked by anything that happens to them.... but who will now lose their composure because they can see themselves as well as the whole earth at the mercy of natural forces which they fear because they are unable to defy them.

And for the sake of these people 'are the powers of heaven moving....' I particularly want to address these people in order to achieve that they will entrust themselves to a God and Creator as soon as they realise that they are completely helpless.... What human will initiates.... no matter how dreadful its effect.... does not upset such people, yet they will become small and weak when they see themselves at the mercy of natural forces. And then it is possible that they will take refuge to Him, Who is Lord of all creation.... then it is possible that in their greatest need they will find Me.... This natural spectacle will cause enormous turmoil amongst people and the fear will not be unjustified either because, regardless of the strange phenomena accompanying the star, it will steadily move closer to earth and a collision will appear inevitable according to the calculations of those who discovered and followed its course. But I predicted long ago that 'I will send you an enemy from the sky....', that a natural disaster of immense proportions lies ahead of you which will precede the final end.... i.e. the complete transformation of the earth's surface.... and which will result in countless victims.... Time after time I draw your attention to it, and My Word is truth and will come to pass.... Yet you are informed of it beforehand so that you humans may become aware of My will and My power.... because you should know that nothing can take place without My will and that nothing happens without meaning and purpose.... that My thoughts are with those who are entirely without faith but whom I nevertheless don't want to lose to My adversary....

And for that reason you humans should know what lies ahead of you so that you may find faith easier when in your great need you think of Him, Who is Lord of heaven and earth.... of all stars and worlds and to Whose will everything is subordinate.... You receive knowledge of this in advance because it can help you find faith if you are of good will.... A disaster will come over you but for every one of you it can also be a blessing if he gains life for his soul in that way, even if he should meet with earthly death.... if he calls upon **Me** in his need.... Amen

Announcement of a star....

What you are given through the spirit can be unreservedly accepted by you.... And thus you shall know that earth's approaching end is already becoming apparent in the universe, that cosmic changes are taking place, because it is God's will that at the conclusion of an earthly period all kinds of signs shall become obvious which cannot be explained by the human being as natural phenomena, which shall prove a Creator's power to him and which thus most clearly point to such a Creator. And these cosmic changes mostly concern the deviations of stars from their normal course, which assume different orbits, and such processes are and will remain inexplicable to people and yet cannot be denied. The closer the end is approaching the more frequently will people detect such phenomena, at first barely perceptible but with rising prominence, so that people can truly say '**the powers of the heavens are being shaken....**' It won't be related to human will, it shall be entirely an expression of God's will, and therefore all people could believe in God if only they would attentively observe such unusual phenomena. But anyone unwilling to believe cannot be more plainly convinced either that a God and Creator exists Whom all elements in nature have to obey.... However, anyone who pays attention to Him will also know what hour has struck....

And thus a star will leave its usual orbit and move towards earth. This star takes its course independent of people's will and poses a grave threat to them, yet its path will not be restrained, because earth must endure a tremor for the sake of humanity's detriment as well as its benefit.... For many people will thereby lose their lives, as it was proclaimed long in advance.... **And the earth will suffer an impact....** The danger to the entire planet will be inconceivable, yet this natural catastrophe will not result in total destruction but nevertheless be on such an unimaginable scale that it will already be the end for untold people. Yet those who survive will approach the final end soon afterwards.... an act of destruction brought about by human will, which certainly will be permitted by God but is not His will.... whereas the former cosmic catastrophe will still have had a redemptive purpose by even now giving unbelievers a final indication of a Power Which controls everything and that nothing happens by chance.

They shall still be given a means of rescue, a final means of attaining faith so as not to go astray. Through this event God Himself speaks to people who disregard His gentle voice, but His loud voice often resounds painfully and thus will claim many victims, that is, many will find their death, but they nevertheless will still have the opportunity in the kingdom of the beyond to catch up with what they had neglected to do on earth. Yet many will also have the grace of surviving the final short period until the end, and then their will to believe is once again decisive, for the unbelievers will not derive any benefit from their experience.... And in the end they will only reap the fate of a new banishment, from which God in His love would like to protect people. **And this is why he admonishes and warns people in advance and draws their attention to all phenomena in the last days....** and blessed is he who believes and lives his life accordingly on earth.... He will be led through all difficulties, and whatever happens to him will be beneficial for his soul and his maturing on this earth.... Amen

Revelation 16, 18.... Star....

A violent quake will shake the earth.... spiritually as well as physically the earth will be faced by a tremor the likes of which will never before have been experienced by people since the start of this epoch.... But this is predicted because it is the beginning of the end that will follow not long afterwards. There is not much time left and your attention will ever more urgently be drawn to it, because you should still make use of every day by helping your soul to mature, for time flies and you are approaching the very end with giant strides. And then a long night for all those who did not take advantage of the day in order to work for the salvation of the soul will follow. For only a few will survive this last end and be allowed to occupy the new earth, only a few will stand firm in the last battle on this earth. The signs of the end will be presented to you humans time and again, and the last powerful sign will be the great quake. ... You have already been told how it will come about: a star will leave its orbit and with gigantic speed head for the earth.... And the fact that you are still uninformed of it is due to the great distance this star will still have to cover before it comes into the field of view of those who will detect it. But then the anxiety will be great, for everyone will realise the danger in which the planet 'earth' is in but no-one will be able to do anything in order to ward off the danger.... And now that you know of it you should make especially good use of this last brief period of time, for none of you know whether you will survive the event, none of you know which part of the earth will be particularly affected and no-one should count on being spared, for it is God's last great wake-up call before the end which He will resound in order to find belief in this very end and still convert a few who are not yet entirely enslaved by the adversary.

Do not consider these predictions lightly, do not let yourselves be misled by the apparent work of progress which you can observe in the world, but understand that the shadows of destruction are already emerging, that not much time will elapse until you receive knowledge of the approaching disaster in the form of a star which will be hurled from its orbit, because it is God's will that the earth shall be stricken by a tremor which shall and will be able to save people who are of good will. There will really not be a lack of signs of the near end, but this last sign will have enormous consequences and many people will lose their lives in the process.... And no-one will be able to turn a deaf ear, for it will be too powerful as not to affect all people. Only the results will differ, for people will either partly revive their weak faith and hand themselves over to God again, but partly even lose their weak faith as well and completely turn to the adversary, which will be expressed by an increased pursuit of material possessions, mostly by dishonest means. And there will be great hardship amongst people.... And that is when the right strength of faith will prove itself, which will signify help for every person who faithfully entrusts himself to God. For He will help all those who want to be His Own, who even in their greatest affliction remember the One Who alone will be able to help them. And this will be the start of the time when real vineyard work must still be carried out in order to help all those who are still weak in spirit and who shall experience a strengthening of their faith. For it will be followed by the time of the last battle of faith which will still require a final decision by the believers, yet anyone who perseveres until the end will become blessed.... Amen

Announcement of the Judgment.... Doubts.... The approach of a star....

You have been informed of an approaching Judgment but you doubt this and do not take My Words seriously enough, or you would not make further earthly arrangements and only prepare yourselves for the day when My proclamations will come true. Although you do not know the day, it should suffice you that I, as your Creator and Father of eternity, have revealed it as shortly forthcoming, that I thus have informed you that it is time for you to prepare yourselves or I would not constantly repeat the admonitions and warning, but leave you without notice. And therefore you should pay heed that the deadline grows ever shorter and is expiring very quickly everywhere. All earthly worries are in vain for I will take care of My Own so that they will have what they need. The others, however, will not be able to hold on to anything, even if they associate with My adversary, even if they, at present and with his help, are prosperous in a worldly sense and continue to increase their possessions, be they earthly goods or honours or worldly wisdom. My adversary will not be able to protect them on the day of terror, since I want to bring people to their senses through the forces of nature, so that they will think of their God and Creator and entrust themselves to Him in dire adversity.

Then everything will fall prey to the forces of nature, nothing will be left for people except what I want them to keep. And therefore they should endeavour to gain My grace, they should unite with Me through deeds of love and heartfelt thoughts, they should speak to Me and listen for My answer, and they will reap a far greater reward than if they worry about their body's wellbeing, about earthly wealth and earthly progress. You should believe that soon will come to pass what I already predicted long ago; you should believe that there is not much time left and no longer worry how to gain earthly profits, for this worry is futile, as you will very soon realise.

I will give you, who spread My Word, a sign so that you will support it with full conviction. I want you to know that a star is approaching earth with great velocity, and that this appearance will happen shortly before I bring the constant proclamation to fruition. Then you, who are informed, will know that the hour is at hand. Then you should live only in accordance with My will, inform your fellow human beings of the forthcoming event, turn everyone's attention to it and closely unite yourselves with Me so that I can give you the strength you need during these perilous hours. Do not fear but only believe that I will deliver you from all hardship, so that you will be able to fulfil your mission for which I have prepared you.... so that afterwards you will bring My Gospel to your fellow human beings, for many of those who emerged unscathed will accept My Word with a hungry heart. You should realise that you do not have much time left until the end.... And preceding this end everything I constantly proclaim will come to pass. Believe it and prepare yourselves, for time is running out and I will appear very soon Amen

Distinct phenomenons and the signs that will precede the catastrophe...

B.D. 4359

1.7.1948

Luminous phenomenon before the catastrophe....

My intervention will be preceded by a major spiritual campaign, which will be intended to fortify the faith of My Own and will be a final indication of the forthcoming natural event. My heavenly messengers will be instructed to show themselves to My Own in the shape of luminous phenomena which clearly and distinctly can be seen in the firmament so that all self-deception is excluded, and My Own will detect the same phenomenon whereas unbelievers will see nothing and ridicule all references to them as fantasies.

And this will be the last sign Then you will be able to safely prepare yourselves for the hour of My manifestation through the elements of nature. Then let go of all earthly things and just take care of your souls.... Then receive My Word with complete devotion, let Me speak to you in the Word and form a deep and heartfelt bond with Me so that I can be present with you in utmost hardship which will befall you very soon afterwards. Then just take care of those around you who fearfully observe the changes in nature, briefly explain it to them and refer them to Me, speak of Me as a God of love Who looks after every person and excludes no-one who calls to Him for help....

And then wait for Me, don't be afraid when My voice resounds with such force that people will tremble.... Stay calm and collected and know that nothing will happen to you if it is not My will, and that I have promised you My protection if you unite with Me in prayer. Then I will be present with you and you will distinctly feel My closeness.... And then that which I have proclaimed to you through My spirit will be fulfilled.... For My Word is and remains eternal truth.... Amen

B.D. 4371
11.7.1948

Signs before the catastrophe (Anxiety of people and animals)....

People will be seized by immense anxiety shortly before I appear through the forces of nature. The event will announce itself such that people and animals will feel nervous and inwardly sense that something is about to happen in nature. Strange behaviour amongst animals will be particularly apparent, they will attempt to flee in a certain direction and suddenly turn back as if driven by an invisible power. And this behaviour will cause apprehension in people who realise that imminent danger is approaching against which they cannot defend themselves.

And thus everyone will worriedly wait for what is to come. And you, My servants on earth, should make good use of this time for it will be a short reprieve when people will still listen to your words because they will be looking for an explanation for the unusual sensations experienced by people and beasts. Then draw their attention to My Word, prepare them for My appearance and refer them to Me so that they will take refuge with Me when the hour has come that I will speak. At the same time you should unite with Me in thought so that you may be strong and able to support those who are unbelieving or of little faith.

You have to prove yourselves and will be able to do so if you call to Me in advance and in the hours of greatest need. I will draw your attention to the signs in advance and give you the opportunity to observe your environment so that you will see that everything I told you will come to pass, that an oppressive feeling and restlessness will burden people, the cause of which you know and thus you will be able to speak effectively where necessary. And once again you will experience a situation where the person who lives in love will believe you, whereas the heartless person, although listening to you, will derive no benefit from it. Until the hour comes when I will speak from above.... And there will be raging and gusting in the air, no one will take notice of the other any longer but only be concerned for his own life. Every person will try to escape but hear the same raging and gusting from all directions and, depending on his attitude to Me, he will be affected by the event.... he will stay alive or be killed by the natural disaster, as My wisdom has recognised and determined since eternity....

Even though it is seemingly calm and there are no recognisable signs as yet.... do not believe that you are safe because the day of the natural event will come without fail, and the unbeliever will be able to see it for himself, if he still has time to think about it.... I have spoken and revealed it to you through My spirit, and I will speak through nature with a voice which can be heard by everyone. Anyone who does not believe the first voice will have to hear My voice from above.... But even then he will be at liberty to witness it as a mere play of nature or remember My predictions and believe that I want to reveal Myself so that you, who do not acknowledge the voice of the spirit, should hear Me. And blessed is he whose life is spared as he will still have a short time of grace at his disposal which he will be able to use to make up for what he has neglected up to then, in order to prepare himself for the end, which will soon follow the event in nature.... Amen

B.D. 1538
25.7.1940

Sequence of the catastrophic event....

The teachers in the beyond always try to help you in the same way and seek to make you more receptive, yet your heart is not always willing to receive, creating obstacles which make the reception more difficult. Undivided attention has to be paid to the gifts of heaven and all earthly thoughts avoided, then the thoughts of the friends in the beyond will find easier access.

Divine love sends messengers to you who shall reinforce your willingness to receive. They bring you a revelation that describes in an understandable way the sequence of the catastrophes which shall decide the life and death of each individual person.

Only few people take notice of the signs of the coming time. They are indeed surprised about obvious changes or irregularities in nature but nevertheless dismiss it carelessly. They don't recognise therein an expression of God's will but merely put it down as a coincidence. And thus, to begin with they do not pay any attention to these manifestations when the natural event approaches. People will first be made aware of the advancing tempest by whirlwinds. This will happen so suddenly that men and animals will find themselves in great difficulty for they will barely be able to manage against the violent storm, and this will be the start....

Every now and then violent earth tremors will be felt and the sky will grow dark, a thunderous roar will be heard which will be so dreadful that it sends people and animals alike into panic so that they try to save themselves by escaping. Yet the darkness will stop them and as their distress becomes intense, the roaring grows ever louder, and the earthly tremors ever more violent, the earth will open up and huge masses of water will break through from within the earth. And as far as the eye can see.... water and darkness and an indescribable chaos amongst people who realise their horrendous situation with utmost distress. The days before will be so glorious that people are to some extent light-hearted and the change will come so suddenly that no one can take earthly precautions, which will be entirely pointless anyway for no earthly power can defend against these elements...

B.D. 3692, 20.2.1946

Earthly precautions against the disaster are futile....

You must completely detach yourselves from the world if My strength is to permeate you and you want to become aware of it. And thus even in hours of anxious adversity you will only be full of strength if you are able to ignore all earthly happenings and completely hand yourselves over to Me with your thoughts. And I will take particularly good care of those who try to find this intimate bond during hours of greatest earthly adversity for they demonstrate their faith in Me, which I will never disappoint. You yourselves are unable to avert whatever I send upon you, hence all efforts you make to safeguard your physical well-being will therefore be in vain. You will gain far more by focussing your mind on Me and faithfully wait for My help, for it will result in certain success, and I will protect your body and soul because you believe in Me. Prior to manifesting Myself through the forces of nature I will still send you unmistakable signs that a disaster is approaching, and then remember My Words.... Collect yourselves in prayer and only pay attention to your spiritual welfare, don't worry about your body, just try to establish heartfelt contact with Me so that I will be able to affect and guide you unhindered without finding resistance through earthly diversion, which weakens the working of My spirit or even makes it impossible. Make no attempt for the maintenance of the body, for that which I want to keep alive will also stay alive, and that which you should lose cannot be protected by your will. I know what you need, just as I know what impedes your souls' further development.

And therefore leave it to Me to care for you, for your earthly possessions and only consider your soul, because you don't know whether it will be your last hour too.... I announce Myself in advance because in My love I still want to give you ample opportunity to make contact with the spiritual kingdom, with Me, Who holds every individual person's destiny in My hand and guides it as is best for you. Anyone who unites with Me has found the safest protection and truly will not need any other earthly protective measures which can become worthless in an instant. For again I want to manifest Myself evidently, I want to make Myself apparent to My Own in order to reinforce their faith, to teach them to become true labourers for My kingdom, which they shall become afterwards. **Don't worry for I will take care of you;** only heed My Words of love and let your heart respond to them. And remind your fellow human beings to conduct themselves in the same way, caution them against overzealous precautions for their earthly welfare and also appeal to them to faithfully turn to Me and commend themselves body and soul to Me. And anyone who heeds your Words will be miraculously guided according to his strength of faith. Therefore don't fear anything no matter what happens, even if you are in a most dangerous situation.... My arm extends far and wide to help as well as to destroy.... Whomever I want to keep alive will remain alive, and whomever I want to destroy will be unable to save himself.... he should only make sure that his soul will not fall pray to darkness, then he will be saved for eternity.... Amen

Only the devout person will feel the divine omnipotence now.... and entrusts himself to his Creator.... And although his heart will tremble and know fear when he sees the raging of the elements he will nevertheless wait patiently until help arrives, for he will continue to send his thoughts up to Him above.

Anyone who has grasped the meaning and purpose of life knows that now the time of decision has come for every individual person. And he will try to administer spiritual help wherever possible, he will comfort those who are miserable and refer them to God, he will help by kindling a small light in utter darkness.... For God will give them the

opportunity to work for Him.... Those who have recognised Him and offer themselves to be of service to Him will be assigned a rich field of activity, and the seed will fall on good ground, for God spares those who look up to Him or find Him in greatest adversity.... Amen

When God's voice sounds from above... The raging of natural forces...

B.D. 3571

8.10.1945

'My voice will resound from above....'

And My voice will resound from above.... It will be mighty and people will have to listen to it even if they otherwise pay no attention to Me. Depending on the state of their souls they will either willingly or unwillingly have to raise their eyes towards heaven. For they will find themselves exposed to a force they can no longer avoid. Admittedly, it will only touch the hearts of a few, yet these will have been helped even if physical help fails to materialise. But as the rule, fear and worry about physical life will predominate and My voice will not suffice to accept it and return to Me despite utmost hardship and affliction. They will not want to realise that My voice applies to those who are still distant from Me and, being obstinate-hearted, they will only try to save themselves and yet will be powerless against the forces of nature.

They will lose all footing, for the ground will sway, a roaring storm will fill the air and everyone will have to rely on himself as no-one will be able to help the other. And My voice will resound from above.... I will speak with a voice of thunder and all elements of nature will obey My will, they will speak on My behalf and testify to My might. I will manifestly confront people and won't force them to believe, for it will still be up to them to accept natural forces but to deny Me as the Being Which also governs the natural forces according to His will. And thus the final means of teaching before the end will not force people to believe either, even though it should speak clearly enough for Me and can also be recognised by people of good will not entirely enslaved by My adversary who wants to separate them from Me forever.

What I have proclaimed through My spirit will fulfil itself... The earth will tremble and the elements of nature will cause incalculable damage and claim countless victims. Yet this has been determined since eternity, because even this occurrence is a means of help used by Me in order to still win people over to Me, since other forms of adversity and distress are not enough to let them find their way back to Me and I have to brandish a sharp rod over the hardened human race. And it is absolutely true that I will not rest until I have regained all My living creations. And thus My love, which wants to save them from their downfall, will never end even if this love is not recognisable in My activity. Yet anyone who takes notice of My voice will also feel My love and he will be grateful to Me for all eternity.... Amen

The raging of natural forces....

You will hear My voice loudly and powerfully, and all of you who don't want to comply with My gentle call will be terrified when it resounds, when the raging of the natural forces reminds you of Me, Whom you have constantly opposed and Whom you nevertheless have to acknowledge in view of the expression of the elements of nature. Admittedly, you won't accept that there is a relationship between this and your activities in the world.... Yet only the latter prompts Me to express Myself visibly, for your activities demonstrate that you don't acknowledge Me as your God and Creator to Whom you will have to be answerable one day. You don't believe it and therefore don't live your earthly life according to My will.... And that is why My voice will resound, so that you will consider Me and change, so that you will recognise Me and accept My will as your own.... I speak to you, admonishing you at first gently and full of love to turn around.... in order to then raise My voice increasingly until it worries and frightens you because you will then fear for your lives. And many will lose their earthly life, yet if they still find Me in the last hour their physical death will be no loss for them.... it is merely a blessing, for they were in danger of descending completely, and then I can recall them the instant they recognise Me Myself, the instant of the awakening of faith, which facilitates the entry into the kingdom of the beyond and is the beginning of the soul's path of ascent.

I want to make Myself distinctly recognisable through the fury of nature.... Where human will is active faith in Me is only rarely to be expected, but where people are hopelessly exposed to the natural elements they are more inclined to remember their Creator and call upon Him.... And there is still hope that souls will be saved from the darkness of unbelief, that they acknowledge Me and then allow themselves to be guided by Me on earth as well as in the kingdom of the beyond. What earthly happenings cannot achieve can still be accomplished by a natural disaster on a huge scale.... that the God and Creator of eternity will be remembered and that a human being's heart will establish the connection with Him by way of sincerely appealing to Him for salvation from utmost adversity. And what is apparently an enormous work of destruction can signify a rescue mission for many souls which thereby escape eternal ruin and awaken to life, even if they suffer physical death. I will do whatever it takes to save those who still close their ears to My gentle and loving Words and whom I nevertheless don't want to let fall.... I want to call to them with a loud voice again and blessed are those who then will remember Me, blessed are those from whose hearts I have not yet been completely displaced and who call upon Me before it is too late.... Amen

A forthcoming natural event....

In the foreseeable future you will experience the truth of My Word, for I will express Myself through the forces of nature, as I have constantly forewarned.... And you will not be able to ignore My voice, for it will resound powerfully and throw the world into chaos.... Although the region of the event will indeed be limited it will still be of such enormous proportions that everyone will be alarmed once he is informed of it.... For, at first, all communications to the affected areas will be cut off.... An eerie silence will engulf the disaster zone because all contact is lost until the first horror has passed. And then the world will be informed of what has happened, before it receives the news of the disastrous details.

However, people have to be sharply spoken to by Me because they refuse to listen to My gentle voice, because they don't believe My Word which is sent from above and conveyed to them by My messengers. Hence, I have to express Myself such that My voice cannot be ignored.... And I have to send a judgment on humanity to which many people will fall victim but who may nevertheless receive My love and grace due to their untimely death. And thus you shall recognise the truth of My Word and activate your will, for even after the disaster you can still make a free decision since I force no one to turn to Me.... Yet the appalling natural event can contribute towards people finding their way to Me, because the adversity is extreme and there is no obvious rescue from any side. But what appears to be impossible is possible to Me.... And if a person remembers this and calls upon Me in spirit and in truth he may also experience miraculous help.... I will so manifestly reveal Myself to him, that he will recognise the might and also the love of his God and Creator and then turn to Me in profound faith and humble submission.

Anything that can still bring souls back to Me will be done by Me, but I also know how difficult it is to win them over and therefore extraordinary means of deliverance have to be used, which seem cruel to you humans and yet are only an activity of love on My part in order to save the very souls whose state is known to Me. I don't want to let them fall into My adversary's hands, who will provide them with a far worse fate than the greatest earthly suffering could ever manage.... Believe Me, no matter what happens, no matter what is permitted by Me, I Am only ever motivated by My love.... I watch over every person's fate, no one is too unimportant or too immature for Me, I care for all of you who are presently living on earth as human beings, because I want to help you reach final perfection on earth, because I want to protect you from the fate of a new banishment and only ever want you to turn your thoughts to Me, so that you will escape the final downfall.... to be placed once more into the creations of the new earth.

And irrespective of how disastrous My intervention is for the people of the affected regions.... it is justified by My love for you, for from a spiritual point of view it is just a rescue mission and not an act of condemnation.... Your earthly loss is irrelevant compared to the gain which your souls can achieve.... And if you have to lose your life then you may also depend on My mercy, which provides you with the opportunity in the kingdom of the beyond to become enlightened and to ascend.... For on earth you would, with certainty, have fallen prey to My adversary, and from this I want to protect those of you whom I recognise as still being capable of change. For there is only a short time left before the end, and this end will come soon afterwards. Yet, prior to this I still want to give you a sign, a final admonition and warning which, although it will painfully intervene in untold people's lives, shall strengthen the faith in My Word, so that they can prepare themselves for the end, which will not take long to follow.... Amen

Natural disaster before the end....

The earth will be shaken in its very foundations, because people shall be very clearly reminded of the end just once more, so that the thought of death will arise in them when they see themselves at the mercy of forces over which they have no control. Many people will in fact wonder how these earthly tremors came about but the rapidly succeeding events will not give them time for an answer.... For then detonations of huge proportions in different areas of the world will follow which make people incapable of thought, these will then be accompanied by a raging of the natural elements with inconceivable consequences, the extent of which can only be assessed by the survivors after the event. They will be inclined to believe that people's scientific experiments had been the cause of this incredibly enormous work of destruction. However, they will be **mistaken**.... It is **My voice** which will and must resound forcefully, because people no longer listen to My gentle voice, and for their own sake a last rescue mission before the shortly ensuing end is still needed. Countless people will thus lose their lives, **good and evil people will fall prey to the work of destruction...**

B.D. 3348, 27.11.1944

Natural disaster.... Good and bad people will fall prey....

In their hour of greatest need many people will call upon God, yet not every call will come from the heart because the danger they are in will disable their ability to think, and thus they will merely address God with their lips and their prayer will fade away unheard. Only those who will be able to send their thoughts to Him, if only for a few moments, will be supported by God, either by rescuing them from bodily adversity or by still offering blessings to their soul before the end. Death should not always be considered the greatest evil, for if a person facing death has found his way to God as a result, it will have been an effective means for his salvation, which is more valuable than the preservation of physical life in spiritual darkness. And this is why countless people will soon lose their lives, partly as a warning to their fellow human beings and partly for the sake of their own spiritual hardship. But righteous people, too, whose life has come to an end according to God's will, will also be recalled from this earth. For where God Himself is recognisable, where the forces of nature, which are subject to God, are in turmoil, that is where His will determines who shall fall prey to this event.... Mature and immature people will have to leave this earth, yet if a soul has recognised God before its death its spiritual progress in the beyond will be guaranteed and the finished earthly life will only be a blessing. And the earthly adversity will be severe and still offer everyone the option of finding God.... for the natural event will announce itself in advance.... Unusual signs will indicate an unusual event so that every human being can still change his mind ahead of time, and through fellow human beings he will also be informed of the highest Authority, the Controller of heaven and earth, so that he will still have time and opportunity to join Him through heartfelt prayer....

Yet then humanity's distance from God will be revealed for only a few will accept Him, only a few will turn to Him for protection and help in their fear and affliction. Most of them reject Him consciously and unconsciously; they watch the spectacle of nature only in hope of a speedy end and therefore the hour of adversity will hit them even more severely because they feel totally abandoned since they have no faith at all. However, even many of those who are distant from God will remain alive, to whom God will still offer the opportunity of gaining realisation afterwards.... Good and bad people will lose their lives, and good and bad people will stay alive, **for this natural disaster is not a separation of the spirits as yet but only a last admonition prior to the final Judgment**, from which all people shall derive psychological benefits. Even so, it is up to them how they will evaluate the last admonition.... they can gain realisation before or after the disastrous night but they can also keep their former frame of mind, and thus the big event will not have made any impression on their souls. And so, after that God-opposing people will actively aim to destroy all faith in God, and they will refer to this natural disaster as the strongest evidence of His non-existence, they will emerge as the greatest deniers of God from an event which was intended to lead them back to faith, and thus the battle will visibly erupt between those who became strong and faithful as a result of this event and those who survived it despite their unbelief; and thus everything will approach its end after the short time of grace granted to humanity before the last Judgment.... Amen

...but it can still be beneficial for the survivors if they learn their lessons from it, if they learn to recognise Me and henceforth walk their path together with Me.... I have long announced this event in advance yet meet with little belief, because people are unable to imagine a natural disaster on such a huge scale and because nothing of the kind has ever been experienced since the start of this earthly period.... Yet it has always been mentioned, and if people only had a shred of belief in My Word they would also expect one day what was announced to them a long time before. In the last days, however, all faith has vanished and even My Own find it difficult to take these proclamations seriously although they are willing and always united with Me by love.

However, suddenly and unexpectedly the first signs will become apparent, cosmic changes will manifest themselves and everything seems to leave its lawful order; strange observations will be made regarding the movements of the stars and for short periods of time alarming eclipses occur, but time and again an apparent period of calm will follow until the elements of nature are so suddenly and dreadfully unleashed that no-one will have time for considerations, and then the only help available will be to mentally call upon Me for protection in greatest peril and danger.... All people who had previously accepted the information.... even if it didn't seem credible to them.... will be greatly blessed because they will know about this only way and need only call upon Me in spirit and in truth. But many of them will be incapable of thought and I can only advise them to turn to Me beforehand already by appealing to Me for protection.... and I will accept this request, because it also demonstrates their faith in Me which I then clearly want to strengthen....

How the event will come to pass need not be explained to you humans since it would not benefit you; but you can believe the fact that it will happen and that it will exceed the hardship and misery which has occurred until now. And you can also inform your fellow human beings of it with inner conviction, for it can only be a blessing to know that everything is predetermined by your God and Creator, however, not in order to cause you harm but only to help your souls which are in extreme danger of going astray. For soon afterwards the end of this earth will occur, however, this will not be precipitated by Me but caused by human will which I nevertheless won't prevent from accomplishing all-destructive experiments, because the time has come for the unspiritual human race when a separation of the spirits will have to take place.... because all that which had left the divine order shall be led into order again, so that the faltered higher development can continue to progress on a new earth, which My love, wisdom and might will let arise again corresponding to My eternal plan of Salvation.... Amen

The natural catastrophe as a last warning and reminder of the End...
Urgent admonition to the people to prepare for the End...

B.D. 8122
11.3.1962

The last huge catastrophe....

God's voice will penetrate and wake people up from their careless slumber since they are, after all, in grave danger. To those who will let themselves be awakened and recognise His voice, a light will shine which will lead them out of the dark night.... But the fate of anyone who takes no notice of His voice will be determined for an infinitely long time. Yet He Who created all of you will not leave you without warning when difficulties which are intended in God's eternal plan of Salvation befall the earth Time and again He warns and admonishes people by speaking to them in various ways, and those who pay attention to His gentle voice when they hear it won't be frightened by the coming events, when He speaks with a voice of thunder to all who have so far closed their ears to His Words of love and mercy.... And He will speak to them through the forces of nature and no-one will be able to ignore this voice, for people will be in danger and as soon as they are afraid of losing their life they may also turn their thoughts to Him Who is mighty, Whom they acknowledge as God and Creator. And if they call upon Him they will also be saved for time and eternity.... But anyone who is still obstinate then will not be spared the dreadful fate of a renewed banishment. And not much more time will pass until all you humans are shocked by the news of a huge catastrophe, you will be paralysed by the disaster which will affect countless people.... But it has been predicted to you since the start of this earthly period because it is included in God's eternal plan of Salvation.... Yet people will never consider a natural disaster of that magnitude possible, and those who survive it will receive very clear evidence that a Higher Authority is at work, that everything of an earthly nature is transient and that every human being is at the mercy of this very Authority, if he does not establish contact with It and hand himself over to his God and Creator, appealing to Him for mercy. For He only wants to reveal Himself to people by speaking to them so distinctly that they will have to hear His voice. And by constantly drawing attention to it He only wants them to achieve a bond with Him in advance in order to then stand firm and also experience His protection when the day of dread arrives....

However, His proclamations by seers and prophets are not believed; and although people are time and again stricken by divine interventions on a small scale.... it only ever affects the victims, while the others remain indifferent as soon as the first dismay has passed. And only little spiritual gain can be achieved. Yet all those who allow God Himself to speak to them, who believe His Words and therefore belong to His Own shall constantly be informed of the fact that this huge natural event won't take long in coming.... They shall draw strength from His Word for they will need it in order to remain steadfast and to provide comfort and clarification to their fellow human beings who suffer intense physical and spiritual adversity.... And every prayer that reaches Him will be heard by Him and He will grant strength and help to all who call upon their God and Creator in utmost distress.... And even if they have to relinquish their earthly life.... they will have found a bond with God and no longer need to fear the fate of those who are entirely devoid of faith and still belong to the one who wants to lure them into ruin. Everyone will still be given the opportunity to recognise their God and Creator and every individual person decides his own fate.... And even the most dreadful happening can be a person's path to **Him**, from Whose might he once emerged.... And then it will have been a blessing for him, even if countless people have to die.... They will be able to enter the kingdom of the beyond with a glimmer of light in their heart if they at last still recognise and acknowledge their God and Creator, if they call upon Him in greatest distress, Who will then indeed reveal Himself to them. You humans should believe that you are approaching this disaster which will come upon you unexpectedly and be such a distinct voice from above that everyone of good will should be able to recognise it.... And everyone will hear it, for it will be powerful and a last reminder, for the end will come soon afterwards, as it is proclaimed.... Amen

The natural event is the last admonition before the end....

You are repeatedly advised to remember the end which is approaching the whole human race but which can also be encountered by each one of you beforehand already, because no person can protect himself when I recall him from this earth. Time and again you will be admonished and warned, time and again you will be reminded of previous predictions by seers and prophets which likewise refer to the end of this earth, and time and again you will also be made aware of death by the events surrounding yourselves. Yet only if you seriously consider such thoughts will you also give account to yourselves, you will be sincerely critical of your way of life and make an effort to still gain spiritual benefit on this earth. If, however, all these indications and the admonitions and warnings leave no impression on you, then the end will take you by surprise and you will fall prey to it entirely unprepared. When people inform you of it on My instructions you laugh at them and mock them and deem yourselves spiritually far superior to them.... And thus there only remains one way in order to instruct you more credibly.... that the forces of nature will remind you of an end.... I have to use this means for the sake of the many unbelieving people who carry on as if they will live on earth forever. What My Word cannot achieve can still be accomplished by this natural event: inner reflection and also a conscious turning to Me; although people can also fight even harder to stay alive and mentally still oppose Me.... Yet the power Which they refuse to acknowledge must give evidence of Itself, and this is why the natural disaster will have immense consequences, because I want to address people everywhere and direct their thoughts towards their end.... And thus all people shall receive knowledge of My intervention, even though it will still be limited, hence not affecting the whole earth. Yet it will not be possible to ignore My voice since it is, after all, a final warning of the end of this earth, which can be expected soon afterwards.

However, prior to that I can only ever announce an end as well as this natural disaster through My Word. And therefore My servants will time and again mention what humanity can expect. And extraordinary suffering and a time of need, which every human being will have to endure, shall support these servants and demand attention to their words.... For every person shall experience that he can be victorious if he has faith and calls upon Me in his distress. In view of people's low spiritual level My intervention no longer signifies compulsory faith either, for they try to explain everything rationally and even then will still not acknowledge a Power Which is in command of life and death. But they shall be offered every opportunity to change their thinking, and that can only be brought about by a natural disaster on this scale. This is why I will still use this last resort.... while leaving the free decision to every individual person, thus not forcibly affecting him.... Consider your own end if you are incapable of believing in an end of this earth. For there is not much time left until the hour will come when that which I constantly announce to you will happen, because I love you and want to save you, because I want to protect you from renewed banishment into hard matter.... For each one of you can still change himself for the better if it is his will.... Amen

B.D. 6601
21.7.1956

Natural disaster before the end....

The end of this earth and of all living creatures upon it is inevitable.... No creations on earth will remain, people and animals will lose their lives apart from the small flock of those who will be raptured in the flesh. This last act of My will has been planned from the beginning, time and again it has been proclaimed to people by seers and prophets, and is now announced to people again with all urgency as being close at hand, because it will be so enormous and no-one shall experience the end without having been informed of it. Yet the proclamations find no credence.... An event is approaching people, the enormity of which cannot possibly be imagined.... and yet it is dismissed as implausible and the admonitions and warnings are futile, for no-one prepares himself for this enormous happening. People don't believe in an end.... And thus I will proceed with My final exhortation.... I will still give the unbelieving human race a last sign in the shape of a natural disaster.... the scale of which will also be huge but it will only affect the earth to a limited extent, so that they will no longer think it impossible and seriously take account of themselves as to whether and how they can be justified before Me at the end. Great events are often foreshadowed.... The natural event, which will be followed by the end shortly afterwards, is intended to be a final admonition, for it will cost many human lives, countless people will fall prey to the elements of nature, or little impression on the hardened hearts can be expected which, however, shall still be saved prior to the destruction.... I have always spoken through the mouths of prophets and even now I keep speaking through My devoted servants.... Yet people do not listen to this language apart from a few who believe My Words and are therefore willing to influence their fellow human beings according to My will....

But now they shall clearly hear My voice and not be able to close their ears, for humanity's indifference motivates Me to disturb them and shake them out of their tranquillity, their worldly spirit.... so that no one will be able to claim that he received no warning. But even this warning will not result in turning to Me completely, because people don't want to recognise My voice and because I do not use force which impels people to come to Me.... Then the end will sweep everything which remains in opposition to Me away, for every human being still remains in opposition who does not turn to Me in view of the previous immense destruction.... which demonstrates My might Everyone still remains in opposition who thinks that an end of this earth is impossible, for he is spiritually unenlightened, which betrays his affiliation to My adversary.... I still try to break this opposition by all possible means without using force. And this final intervention will truly appear to be a cruel method yet I use it for the sake of your salvation, because My Words are not being believed and because the end is near to which they will then inevitably fall prey, and then their spiritual state will be the decisive factor as to what fate awaits them on the day of Judgment. And time and again I say to My servants that they cannot mention the end and the preceding natural event diligently enough, that they should not be afraid to draw people's attention to the fact that they will not have much time left, that they should unhesitatingly speak about My eternal plan and that they therefore should also spread My Gospel, so that people know what I expect of them as not to descend into darkness as a victim of the forthcoming event.... I only ask for a loving heart which is willing to make sacrifices.... Then they will be able to wait for the coming events without fear, then they will belong to those who will emerge unscathed even if everything around them threatens to disappear.... However, dreadful things will be in store for those who do not want to believe.... And then I will have mercy on everyone who calls upon Me in his adversity, for I only want to rescue people and not let them fall prey to ruin.... For the end will come without fail, and then everyone will be judged in accordance with law and justice.... Amen

God's language through the elements of nature....

I expect of you, My servants, total commitment to Me and My kingdom, for people's spiritual hardship necessitates it. Only a short time separates you from the very last end, and whatever can be done for the salvation of the souls shall still be done, for the earth will assimilate everything again which had failed as a human being, and this is an appalling fate which I would like to avert from every individual person. But you yourselves make the final decision in free will. I Myself cannot do anything but admonish and warn you by constantly speaking to you, and everyone who supports Me in this respect will be blessed by Me. And thus the near end should always be mentioned and also the fact that prior to it I will clearly express Myself once more through a powerful natural event... for it will be My last warning when I speak through the elements of nature to people who didn't want to listen to My Word... This language cannot be ignored, for people will be horrified when they are confronted by an inconceivably extensive natural disaster that will leave no-one unaffected insofar as the news will reach wherever people live, so that every individual can draw his own conclusions, so that every individual can feel personally addressed by it because the same event can also affect his country and even himself.... This is because people will have to fear a repetition and therefore they **all** have to brace themselves for a sudden demise. Much suffering and misery will still afflict the earth and yet it is only a means I apply due to love in order to save the souls from ruin, from the appalling fate of a new banishment on this earth.

However, the people affected by the natural disaster, the people who fall prey to it, are not cruelly left at the mercy of their destiny.... Due to their prematurely concluded earthly life they will be granted gifts of grace in the beyond.... They will still have the opportunity to ascend further; they will have the opportunity in the beyond to reach the light which they disregarded on earth.... They won't have to fear the new banishment.... unless they are so obstinate that they will descend into the abyss again as true devils, that they are incorrigible and thus would not have changed on earth for the better either had they stayed alive. And even the effect of the natural disaster on people will differ, for again people will turn to Me in their fear and due to their received help also remain loyal to Me, but equally a strong noticeable apostasy from Me will come to the fore because people won't accept a 'God of love' Who allowed such a work of destruction to take place.... since their dark spiritual state cannot find any other explanation for this occurrence. But a clear voice like that has to resound from above, whether it is recognised as My voice or not, for the end is approaching with giant strides, and even though only a few souls will find their way to Me in their distress it will nevertheless be a gain that they no longer have to take the long process through the creations of the earth again but can enter the kingdom of the beyond where they can also achieve progress which would have been doubtful for them on earth.... and in all probability would have led them into the abyss, or they would have endeavoured towards the abyss.

And I have to impart all this to you, My servants. For you should be forearmed, you should learn to look at all happenings around you only from this point of view, and you should completely give yourselves to Me and as My instruments be always active in My will.... You should let go of all earthly thoughts, hand over your every worry to Me.... even the smallest.... you should become completely absorbed in your vineyard work yet always pay attention to My inner instructions. For overzealousness only causes harm, because wisdom promotes success and wisdom will always be conveyed to you if you totally enter into My will, if you are only the executors of My will. And I know that you, My servants, take your task seriously, and therefore you constantly receive these instructions which you feel in your heart as My loving Words and which you therefore will also comply with for the benefit of your fellow human beings. Oh, if people only knew what awaits them.... Yet they don't believe it when it is proclaimed to them through the mouth of My prophets.... and they cannot be compelled into believing. Nevertheless, the day comes ever closer which will cause a complete change of living conditions.... and blessed is he who will call upon Me in extreme adversity, for I will hear him and grant his request, and he will never ever go astray.... Amen

B.D. 3949

1.1.1947

Reference to a natural disaster.... Urgent admonition to prepare....

My call goes to all those of you who receive My Word: Prepare yourselves for the coming time which will considerably change your circumstances of life, which will confront you with immense spiritual and earthly tasks and which you therefore cannot take seriously enough if you don't want to damage to your soul. For you must already draw strength in advance because overwhelming requirements will be demanded of you, both spiritually as well as earthly. Earthly life will burden you so heavily that you will only be able to endure it with Me and My help, and therefore you must first of all remain in contact with Me, you must not waver in your faith and think that I have forsaken you, for you can only find comfort and strength in your faith in Me, then you will come to Me and I will help you. And although many people around you will lose faith in view of the immense adversity which will irrevocably occur.... remain steadfast and devoted to Me in your heart and you will feel Me and My presence, you will always find the help which I had promised you. As yet you are unable to believe that which I have proclaimed to you time and again, as yet it still seems questionable to you that I Myself will visibly appear.... Nevertheless, the hour comes constantly closer and with it a complete change of your normal living conditions.... And you should prepare yourselves for this already by detaching yourselves from all material things in advance, by leaving your further lifestyle entirely up to Me and in complete faith in Me only take care of your soul. For regardless of how much care you take you will be unable to keep earthly things if I consider it more helpful for you to lose them.... Yet whatever I want you to keep will not be touched by the forces of nature through which I will manifest Myself.

Believe that I direct everyone's fate according to My love and wisdom and that any anxious worry by you is unfounded. I Myself look after My Own such that they will still be able to achieve as much maturity of soul as possible on Earth. The time until the end is but short and for many people it will also signify a shortened life on earth; they should and would indeed be able to reach the goal, even in a shorter time, because My love makes every opportunity available to them. Therefore, take My Words seriously, count on a speedy end and on the natural disaster beforehand, and expect it daily, for it will come suddenly, even for My Own. And utterly entrust yourselves to Me.... I will never ever leave you if only you remember Me, and if you call upon Me in your heart I will hear you. Yet make full use of the time before, let go of all earthly striving and only try to gain spiritual benefits. And remain faithful to Me even in times of greatest adversity and you will have Me as a constant helper by your side, you will evidently experience My often miraculous help, for I have promised you this and My Word is and remains eternal truth. Believe in this and also in the forthcoming great time of adversity and prepare yourselves for it by constantly drawing strength from My Word, by seeking Me more sincerely than ever and by remaining in constant contact with Me through prayer and actions of love, for you will need much strength so as not to falter when I manifest Myself through the forces of nature.... However, don't fear anything regardless of what will happen, for I will protect My Own so that they will be strong supporters for Me during the last days before the end, who shall help to spread My Word in order that souls of good will shall still be saved....
Amen
